

BARCOMBE GARDEN CLUB'S SPRING FLOWER SHOW 2024

Given miserable Spring weather and a later show date than usual, it's no surprise that daffodil entries were down. But thanks to the cloud/silver lining effect, tulips came into their own! Balance was further restored as other Classes delivered strong entries, particularly in the Children's section – something that bodes well. Now if Summer can just get its act together, we could be in line for a bumper Autumn Show. We can only wait and see...
